SOCIAL NETWORKING AND YOU

A New Definition of Who Are The Globalists and What Is A Globalist After much consideration and thought, I would like to propose to the activist, free thinking, and anti-Globalist movements that we define the Globalists as: The Globalists are a conglomerate of individuals, interest groups and large corporations who actively seek to eliminate all countries to create a global border-less society so that they can centralize, reduce and standardize all economies, production and the processing of natural resources so that they can directly control, manipulate and influence the decisions we make to ensure they maintain their power, control, wealth and historical influence. In cases with hair coat abnormalities in the preceding 12 months, owners were asked to report current or previous episodes of hair loss or coat texture changes and their evolution, pruritus, eruptions or skin lesions and pigmentation changes.

Actual Minds, Possible Worlds (The Jerusalem-Harvard Lectures)

The Christian worldview embraces a form of democratic capitalism that allows for the peaceful and free exchange of goods and services without fraud, theft, or breach of contract as the biblical view. There's a war brewing between the factions for and against Scottish Nationalism.
