Falling Into Darkness

Oh keeper of the gates of wisdom please let me in Cause I just can't go through another heartache again Pretty lies and alibis how could I be so blind Now all alone and scared I stand slowly goin' out of my mind He was my strongest weakness I surrendered heart and soul It's gonna be a long long time till I regain control I'm still a prisoner held captive by his memory He was my strongest weakness and I'm afraid he'll always be I gave my faithful heart to someone who wouldn't understand How he held my little world in the palm of his hand Now he's gone and life goes on as if this pain will ever end Will I be afraid to risk it all and ever fall in love again He was my strongest weakness He was my strongest weakness and I'm afraid he'll always be. Ange gardien.
