Was there something innately satisfying about sleeping next to someone else that couldn't be found on a chart of brain waves. Das Friedensgutachten, das in den vergangenen Jahren wiederholte eine Umkehr. I guess this idea is really unlikely given that they probably would have merged magma chambers after a while, but sometimes volcanoes don't do what would be expected or what makes the most sense - Hekla after is an example, Grimsvotn is another, and closer to Rinjani was the recent eruption at Sinabung with a VEI 4 scale explosion from an otherwise effusive lava dome that the media got bored of talking about after 4 years.
