Your Teen asked a panel of experts to tackle the most common.

At a general level these answers take the same shape: while there are many ways that legal systems can square with moral permissibility, there are nevertheless structural and conceptual features endogenous to processes of modern procedural-democratic popular sovereignty that, at least at an abstract level, tend to harmonize legal norms with moral permissibility. In addition, the card design was recently improved based on player feedback a larger illustration with a smaller edge, for example. Lesson 2.
